I am a visual thinker, problem-solver and doer; helping brands tell their story with sophistication and authenticity.

**Experience**

***Creative Director, Zenefits October 2017–Current***

Shepherded the company through brand repositioning and realignment with an external partner, then focused on bringing the new brand to life across the hundreds of existing prospect touch points. Interface daily with sales, marketing, and product to ensure we effectively leverage creative to tell our story.

***Senior Art Director, Zenefits, July 2016–October 2017***

Leading the creative department to drive the Zenefits mission of helping small business and entrepreneurs. Working across departmental lines to bring the brand to life through a wide spectrum of executions, from videos to trade shows to emails and more. Coordinated with marketing and product design teams to repair and realign a visually fractured brand.

***Senior Art Director, Recreation, October 2014–July 2016***
